

A Note from Siloah's Kitchen Committee

Our Siloah Kitchen Committee (SKC) is diligently working behind the scenes to provide the best way to be a service to our congregation.

SKC is looking forward to fostering a feeling of inclusion for all members of Siloah. We want everyone to have a seat at the table and comfortably fellowship with our brothers and sisters in Christ.

We have put in motion a few of the many tasks created by the committee. Our goal is to create a higher standard of responsibility for us as a congregation to care for our kitchen and replenish our supplies.

Keeping the kitchen clean and in proper working order is a priority.

The Kitchen Committee has established written guidelines for groups that host Sunday morning coffee fellowship and a procedure for requesting the use of Hoffmann Hall and the kitchen.

It is important for any group or individual that uses Hoffmann Hall or the kitchen to inform the Kitchen Committee before use. We are maintaining a master calendar and hope to prevent any scheduling conflicts.

To notify SKC of use of the kitchen or Hoffmann Hall, please complete a "Kitchen Use Form." You may obtain this form from our church secretary or school administrative manager.

You can also speak to a member of SKC; Sharisse Owens, Mabel Johns, Joyce McGhee, Ann Hicks, Catherine Washington, Janet Broadnax, Annie Green, Elizabeth Roby, Roddy Guyton, or Irma Jones.

We have begun to organize our kitchen's cabinets and storage room/pantry. It is a work in progress. New shelves were purchased and stocked with the necessary supplies needed for group functions. We can now store all kitchen supplies in our kitchen storeroom.

The next step is to stock the kitchen with all the essentials needed in a kitchen. We want to stock the kitchen with serving utensils, mixing bowls, and everything a kitchen needs. We need everyone's help with this. Any monetary donations will be greatly appreciated. Please indicate kitchen or Kitchen Committee on your offering envelope.

The Kitchen Committee is just getting started. We look forward to hosting events that encourage fellowship and spiritual growth. Thank you for your support!
