Music by Alan Menken

*In a magical kingdom beneath the sea, the beautiful young mermaid, Ariel, longs to leave her ocean home to live in the world above.*

Based on one of Hans Christian Andersen's most beloved stories and the classic Disney animated film, *The Little Mermaid* is a hauntingly beautiful love story for the ages. Ariel, King Triton's youngest daughter, wishes to pursue the human Prince Eric in the world above, bargaining with the evil sea witch, Ursula, to trade her tail for legs.

But the bargain is not what it seems, and Ariel needs the help of her colorful friends—Flounder the fish, Scuttle the seagull, and Sebastian the crab to restore order under the sea.

Whether you are young or old, this show will capture your heart with its irresistible songs, including *Under the Sea*, *Kiss the Girl*, and *Part of Your World*.

Please join us for an enjoyable evening of musical theater at LPS!
