## Free Christ Light Sunday School Lessons

Jesus said, “Let the children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” During this time of self-isolation, many children are missing their weekly Sunday school Bible lesson and social interactions, and many parents are looking for ways to fill the void. **Below are several weeks of free Christ-Light lessons for Sunday school**—timely as we endure a global pandemic and as we approach Holy Week. Let Jesus remind us that he calms life’s storms, holds all power over life and death, and is the only Savior we need.

All four levels are provided for each lesson and include the student lesson, the accompanying copy masters (activities), and the teacher’s guide to help parents share the lesson with their children.
