

Northside Lutheran Ministries

Northside Lutheran Ministries has been a blessing to many people in the area around 26th Street and North Ave in Milwaukee. Over the past month there has been an attendance of 130 people at the Bible studies and other spiritual activities that occur during each week. Many of the members come several days during the week because they find guidance for their faith and encouragement in their praise to God.

Some of those who attend on a regular basis have made comments on how important their time at Northside Lutheran Ministries. Don said, "It does help me when I'm going through my struggles in life" Candace said the ministry is serving her by "listening, sharing, speaking, and teaching about the Lord's Word". Chris says, "They have served me good and have gave me good teaching of the Lord and they treat me like family". Patrick says, "Teaching God's Word is done in simplicity and excellence. Thank God for Northside. It has blessed my soul.

Northside Lutheran Ministries has made a big difference in several lives since the building was dedicated in May of 1998.

The donations sent in by many of our WELS members have kept this ministry going. The people who attend Bible classes and worship services give what they can to help support the ministry. But they could never be able to fully support the ministry because of their poverty. They appreciate the blessings God has provided them through you.

Right now there are some big expenses that we are anticipating Our building is over 120 years old and is experiencing some problems with siding and building maintenance. Also the heating and air conditioning need to be repaired or replaced. This will be expensive.

Our prayers are that God will move more people to support this ministry and help it move forward. If you know of other people who are interested in supporting such ministries please let them know about Northside Lutheran Ministries.

We thank you for the support you have given in the past; money, food and clothing. The people at Family of Hope have thanked God for your love and concern for them. They know that they are in your prayers. You are in theirs.

Your prayers and support are appreciated. Donations can be sent to
