

### **Pastor Brady Coleman is our new pastor**

The Holy Spirit has led Pastor Brady Coleman to accept Siloah's call as our next pastor.

Pastor Coleman and his wife, Cola, will arrive in Milwaukee during the last full week of July. The Colemans have rented a home near 84th Street and Capitol Drive.

He is looking forward to being installed on **Sunday, July 30 at 4:00p.**

Siloah leaders are beginning to lay plans to welcome the Colemans to Milwaukee and our congregation. They are considering ideas for

Helping the Colemans move into their new home. That could include helping them restock their pantry with food and other household items.

Providing choir assistance with the installation worship service.

Arranging for a meal following Pastor Coleman's installation.

How these ideas will work and how many more ideas will be included as we get ready for our new pastor is in the development stages. Stay tuned for more information as it becomes available.

Prayer for our transition to our new pastor, however, is very much in place. Thank God that he has chosen this time and this man to fill our call. Ask for the Spirit's empowering and guidance as we transition to this next stage in our ministry. Of course, prayers for our pastor and other staff members aren't just for these next weeks; we will want to continue to include them in our daily prayer time.

Pastor Coleman has served Pilgrim Lutheran in Mesa, Arizona since his graduation from Wisconsin Lutheran Seminary in 2000. He is the grandson of our former pastor, Henry Grigsby.

*Dear Members of Siloah,*

Greetings in the name of Jesus Christ our only Savior and Lord, who lived, died and rose again, so that we might live forever!

I thank you for thinking of me as you deliberated the man to call to serve as the shepherd of Siloah. After seeking The Lord in prayer, considering the ministry needs here, at Pilgrim, Mesa, Arizona, and the ministry needs of Siloah, and speaking to both, members of Pilgrim, and members of Siloah, and other individuals whose opinions are valued and trusted, The Holy Spirit has led me to accept the Divine Call to serve Siloah.

With joy, I look forward to taking up the mantle of pastor at Siloah! As we work together for the good of the entire congregation, I'm confident that The Lord will bless our efforts, help us to regain the straying, add souls to our Church, add students to our School, and restore Siloah's splendor as a beacon of light in the 53206 zip code.
