*-Luke 24:39*

*Pastor: Today's Gospel is recorded in Luke chapter 24.*

**Response: Thanks be to God!**

**Luke 24:36-49**

Now as they said these things, Jesus Himself stood in the midst of them, and said to them, “Peace to you.” But they were terrified and frightened, and supposed they had seen a spirit. And He said to them, “Why are you troubled, and why do doubts arise in your hearts? Behold my hands and My feet; that it is I, Myself. Handle Me and see, for a spirit does not have flesh and bones as you see I have.” When He had said this, He showed them His hands and His feet. But while they still did not believe for joy, and marveled, He said to them, “Have you any food here?” So they gave Him a piece of broiled fish and some honeycomb. And He took it and ate it in their presence. Then He said to them, “These are the words which I spoke to you while I was still with you, that all things must be fulfilled which were written in the Law of Moses and the Prophets and the Psalms concerning Me.” And He opened their understanding that they might comprehend the Scriptures. Then He said to them, “Thus it is written, and thus it is necessary for The Christ to suffer and to rise from the dead the third day, and that repentance and remission of sins should be preached in His Name to all the nations, beginning at Jerusalem. And you are witnesses of these things. Behold, I send the promise of My Father upon you. But tarry in the city of Jerusalem until you are endued with power from on high.”

Pastor: *This is The Gospel of our Resurrected Lord.*

Response: **Hallelujah!**

For Thine is the Kingdom and the Power and the Glory, forever and ever. Amen.

*"Welcome, Happy Morning" -Hymn# 163 vv.1,2*

**THE CLOSING PRAYER**

### ROMANS 15:13

As CAMM operates a mobile clinic in Malawi, we depend on having reliable ambulances for our daily trips to our clinics. While the Toyota Land Cruisers we use are rugged and tough, after a few years they start to require more and more maintenance. So, if we are going to use them for the daily basis, we cannot have them sitting in the shop waiting for repairs. For that reason, we replace them every 5 years.

Unfortunately, if we want to buy a new ambulance in Malawi, we cannot go down to the local dealer, pick one off the lot, pay for it, sign the paperwork and drive it home that day. Instead, we use a company called Toyota Gibraltar. They are named after where they are located, on the rock of Gibraltar, the British Overseas Territory and city located at the southern tip of the Iberian Peninsula in Spain. Toyota Gibraltar specializes in providing vehicles to non-governmental organizations, such as ours, who operate in third world countries within South America, Africa, and Asia. The advantage of using them is that we see significant cost savings over the local Malawian Toyota dealer. The bad news is that it takes a while for the vehicle to arrive, and we (CAMM) must deal with all the local customs and vehicle registration issues instead of the dealer. As Clinic Administrator, Lusungu Mwambeye handles these challenging details with help and guidance from me. We ordered and paid for the vehicle in September of

2023. It arrived in Lilongwe on March 30, 2024. To get here, the vehicle travelled from Japan to Gibraltar. There, it was put in a container where it left Gibraltar by ship in late December enroute to Dar es Salaam, Tanzania via Oman and Jakarta. Once in Dar es Salaam the container was put on a truck for the 1,000-mile overland trip to Lilongwe. The ambulance is now at the clinic house/office in Lilongwe, but it will be a while before we can put it on the road. Lusungu still needs to get final customs clearance before we can begin the registration process. As we use the vehicle as an ambulance, we can import it duty free. A savings of \$35,000, but duty-free status requires a lot more paperwork.

For registration, the vehicle first needs to be checked by Interpol to make sure it is not stolen. Then it must be inspected by Malawi Road Traffic to check the engine and chassis numbers match the paperwork, then it can be registered. Visits to road

He is risen! He is risen indeed!

I never get tired of hearing those words. They remind me that I never need to worry about my future in heaven. In a world where so little is sure, I can always hold tightly to the unwavering promise of Jesus. What a comfort!

This month's newsletter is an update from our Field Director, Gary Evans, on the new ambulance that was purchased with the generous gifts of CAMM supporters just like you. This organization is so very blessed to have such a tremendous network of people all over the world working together and doing what they can to keep this mission thriving.

# A WORKSHOP FOR MILITARY VETERANS & FIRST RESPONDERS

Co-sponsored by Lutheran Military Support Group & Institutional Ministries

Long shifts, poor sleep, and a dangerous work environment are not the only experiences shared by Veterans and First Responders. Both are significantly more likely to experience trauma related to their job. These experiences can impact us, our families, and our faith. Join us as we focus on the impacts of moral injury, trauma, and how God has prepared us for peace.
