## CENTRAL AFRICAL MEDICAL MISSION NEWSLETTER

**Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. 1 Peter 4:10**

God has given us each unique talents and abilities. Each of our gifts are unique and God has matched us each with the gifts he knows we can use to his glory. This month, I wanted to highlight just one of our many Contact Women who is using her gifts of organization, patience, and encouraging others.

Lori Ryan from Minnesota organized and collected 52 pounds of supplies at her Spring LWMS Rally and has been packaging and sending them to our clinic sites in Zambia and Malawi. Many of you have spent time and money sending packages and much needed supplies which all help to support the work of CAMM. What a blessing! Thank you Lori and all of our wonderful Contact Women who are using their gifts to support CAMM.

This month's newsletter comes to us from Jackson Kalekwa, the Clinical Officer in Charge at the Mwembezhi Lutheran Rural Health Center in Zambia. Diabetes is a growing health concern in Africa and Jackson and his team in Zambia are doing what they can to care for those in need.

## Managing diabetes at the Zambia Lutheran rural health center

Diabetes has become a disease affecting many people in Zambia. In our area, we started with three patients in 2004. The number kept on increasing so much that we now have seen over one hundred diabetic patients in 2024. The increase is as a result of a change in lifestyle. The change of lifestyle has brought diseases like diabetes and hypertension. Many patients used to go to herbalists where they were not getting any help and patients used to wait a long time before coming to our clinic primarily due to a lack of knowledge.

Unfortunately, the government does not yet support rural care of chronic diseases like diabetes and hypertension. All the support of these chronic diseases was and is still focused on bigger, urban hospitals. In an effort to find out why there is no support for these diseases in rural areas, I went to the Ministry of Health. I was told that because these diseases are still so new in rural Zambia, the support had already been put in the urban areas where they have more diagnosed patients. As a result some of our diabetic patients have to travel 85 km to Lusaka for services at the University Teaching Hospital (UTH). These patients are fortunate enough to have the money to travel for the services. Patients who come to us with signs and symptoms of diabetes still need to be referred to bigger hospitals such as UTH which is

still a big problem in rural Zambia. This is because of money for transport. Patients with money are the only ones able to go. In an effort to help, the clinic staff decided to buy a glucometer with glucose test strips and have started testing for diabetes. In the first month, we tested twenty-five patients, of whom five had high readings of glucose. To start treatment, we referred them to UTH. Out of the five, only one managed to go for treatment. Four failed to go because they didn't have money. As a result, the clinic staff called for a meeting with village headmen to discuss the problem. This was done because one diabetic patient out of the four who failed to go to UTH unfortunately passed away from his condition. The calling of Headmen was done in line with the policy of the Central Board of Health. Any change of

a health program was to go through and be agreed by the community. All the headmen voted in favor of starting the diabetes program and I was able to get training and start a program in Zambia.

The program has grown so much that we now have patients from different areas (inside and outside of our area). Because of the help we get from CAMM and the quality services we provide for diabetes, the program is going very well. Managing diabetes properly has made the name of our clinic to go beyond our boundaries so much that we have diabetic patients coming from as far as Lusaka. Our community, patients and their relatives are happy with our diabetes programs. We are very grateful for the help in managing our diabetic patients. In the district, we are the only clinic involved in diabetes treatments. Some patients think our clinic is a mini hospital.

We have a diabetic clinic day once per month where we provide health education on diabetes. We are also privileged to have a nutritionist who was sent to our clinic this year in January of 2024. She focuses more on diabetic diet and the importance of maintaining the diet low in carbohydrates.

May God, the Almighty bless you in helping the poor in Zambia.

In Christ Jesus,

Jackson Kalekwa  
Clinical Officer In Charge.

**FALL RALLY 2024:** The fall rally will be held at Morning Star, Jackson, WI on October 26, 2024.

**Business Meeting Adjourned**

**GUEST SPEAKER: Mr. Shannon Bohme—WELS Mission Journeys:**

Mission Journeys provides opportunities for WELS members to serve another congregation, often a home mission. Mission Journeys is like the old Kingdom Workers program, Faith in Action. The ministry philosophy is different in a few ways. The trips are self-funded by the volunteer teams, usually with assistance from the sending congregation and organizations like Thrivent. The teams are formed by one congregation, a LWMS circuit, or family. This allows for in-person training and encouragement. The final difference is the focus on engaging the team in local ministry after the mission trip. Some of the long term opportunities are at Holy Word in London, England of 3-6 months; Seattle, Washington 1-2 months. There are also short term service trips to London for 7 days; Latin America 5-7 days, Puerto Rico 5-7 days, Seattle, Washington 7 days; a home mission church 3-7 days; Apache Reservation 3-7 days. Typical cost of a trip is \$2000 plus air fare.

**How do you get started:**

Contact Mission Journeys Coordinator Shannon Bohme at [Shannon.bohme@wels.net](mailto:Shannon.bohme@wels.net) or 651-324-4218.

We can reach out to others. Church is a hospital for sinners.

One of the ways to start a conversation is asking "Why did you stop going to church?"

The answers may surprise you!

**CLOSING DEVOTION:** The closing devotion by Pastor Koester was from 2 Thessalonians 5:1 referencing light and dark. There is peace and safety in the light. We should be like moths, drawn to the light of the gospel and not cockroaches which are drawn to the darkness. Pastor Koester commenced with the installation of officers and ended the rally with prayer.

**Respectfully Submitted**

**Milwaukee Metro North Secretary**

# Share Short Stories that Speak Volumes for Our Lives

July 2024

## Lessons From a Fig Tree

*Jesus told them this parable: "Look at the fig tree and all the trees. When they sprout leaves, you can see for yourselves and know that summer is near. Even so, when you see these things happening, you know that the kingdom of God is near" (Luke 21:29-31).*

The newspapers report a lot of bad news: war, robbery, murder, corruption, domestic abuse, even the abandoning of little babies. Life just seems to be one bad thing after another. Will there ever be an end to all this?

"Yes," Jesus says. In a short story that speaks volumes about life, Jesus teaches us about his coming on the Last Day.

Our loving God has put a schedule in place for this earth. Only God knows exactly when these things will take place. In his divine wisdom, though, God sometimes lets us know when things are about to change. Jesus said when trees sprout leaves, you know that summer is near. In the same way, Jesus tells us when we see things such as wars, talks about wars, and earthquakes, we know his kingdom is near.

We can't just ignore the bad news, and we shouldn't. God doesn't want us to be afraid of these sad events. Rather, he wants us to look past them and see that they are signs that tell us Jesus is coming again. Just as the trees welcome the summer months so believers will welcome their time with Jesus in heaven.

The second coming of Jesus will bring an end to all that is wrong with the world. It will be a day of final judgment. For those who reject Jesus, there will not be another chance to believe. There will be no escape. Christ is coming back once more and that will be the Last Day.

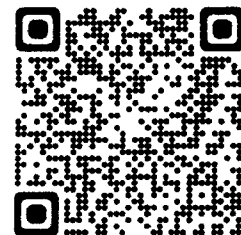

Those who trust in Jesus don't fear that day. Believers know that Jesus has forgiven them and promised them

eternal life. They simply wait for him to come and take them to the paradise he has promised. They wait patiently and put up with the world's troubles, knowing that Jesus will change things forever someday.

The lessons from a fig tree tell us that Jesus is coming again, and that life will be far better. Come and learn about all the wonderful things waiting for those who believe in Jesus.

## *SILOAH'S BELIEFS ON THE SACRAMENT OF THE ALTAR*

*The Sacrament of the Altar is:*

- *a gift which Christ our Lord has given to His Church.*
- *a tangible form of The Gospel that assures us of sins forgiven.*
- *a sacred act that expresses the full extent of Christ's love for His Church.*
- *an expression of unity and oneness in faith.*

*The Sacrament of the Altar is not:*

- *a sacred act that shows one Christian's superiority over another Christian.*
- *to be consumed by anyone outside of the Christian Church.*
- *intended for unbelievers.*
- *open to those who are **not in fellowship** with Siloah or the Wisconsin Evangelical Lutheran Synod.*

## ***Scripture plainly says:***

- *The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ? For we, though many, are one bread and one body; for we all participate of that one bread. - 1Corinthians 10:16,17*
- *Therefore whoever eats this bread or drinks this cup of The Lord in an unworthy manner will be guilty of the body and blood of The Lord.- 1Corinthians 11:27*

*Out of love and respect for our Lord Jesus, instruction is given before we receive the Sacrament. All Siloah Partners have been instructed in The Lord's Supper and hold to the beliefs printed above. If you are not a Siloah Partner, neither a member of a Wisconsin Evangelical Lutheran Synod church nor a member of a congregation in fellowship with WELS, we gently ask that you refrain from receiving the Sacrament of the Altar.*

*Remember, the reception of The Lord's Supper does not make a person a true believer, nor does the inability to receive the Sacrament make a person an unbeliever. There will be people in Heaven from all different Christian church-denominations; for Jesus tells us in Mark 16:16, "Whoever believes and is baptized shall be saved."*

*If you have further questions concerning Siloah's beliefs on the Sacrament of the Altar, or the steps involved in becoming a Siloah Partner, please contact Pastor Coleman.*
