**Response: Thanks be to God!**

**Mark 8:1-8**

Now when the Sabbath was past, Mary Magdalene, Mary the mother of James, and Salome, bought spices that they might come and anoint Him. Very early in the morning, on the first day of the week, they came to the tomb when the sun had risen. And they said among themselves, “Who will roll away the stone from the door of the tomb for us?” But when they had looked up, they saw that the stone had been rolled away, for it was very large. And entering the tomb, they saw a young man clothed in a long white robe, sitting on the right side; and they were alarmed! But he said to them, “Do not be alarmed. You seek Jesus of Nazareth, Who was crucified. He is risen! He is not here! See the place where they laid Him! But go, tell His disciples and Peter that He is going before you into Galilee. There you will see Him, as He said to you.” So they went out quickly and fled from the tomb, for they trembled and were amazed. And they said nothing to anyone, for they were afraid.

*Pastor: This is the Gospel of our Resurrected Lord.*

**Response: Hallelujah!**

## *SILOAH'S BELIEFS ON THE SACRAMENT OF THE ALTAR*

*The Sacrament of the Altar is:*

- *a gift which Christ our Lord has given to His Church.*
- *a tangible form of The Gospel that assures us of sins forgiven.*
- *a sacred act that expresses the full extent of Christ's love for His Church.*
- *an expression of unity and oneness in faith.*

*The Sacrament of the Altar is not:*

- *a sacred act that shows one Christian's superiority over another Christian.*
- *to be consumed by anyone outside of the Christian Church.*
- *intended for unbelievers.*
- *open to those who are **not in fellowship** with Siloah or the Wisconsin Evangelical Lutheran Synod.*

## ***Scripture plainly says:***

- *The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ? For we, though many, are one bread and one body; for we all participate of that one bread. - 1Corinthians 10:16,17*
- *Therefore whoever eats this bread or drinks this cup of The Lord in an unworthy manner will be guilty of the body and blood of The Lord.- 1Corinthians 11:27*

*Out of love and respect for our Lord Jesus, instruction is given before we receive the Sacrament. All Siloah Partners have been instructed in The Lord's Supper and hold to the beliefs printed above. If you are not a Siloah Partner, neither a member of a Wisconsin Evangelical Lutheran Synod church nor a member of a congregation in fellowship with WELS, we gently ask that you refrain from receiving the Sacrament of the Altar.*

*Remember, the reception of The Lord's Supper does not make a person a true believer, nor does the inability to receive the Sacrament make a person an unbeliever. There will be people in Heaven from all different Christian church-denominations; for Jesus tells us in Mark 16:16, "Whoever believes and is baptized shall be saved."*

*If you have further questions concerning Siloah's beliefs on the Sacrament of the Altar, or the steps involved in becoming a Siloah Partner, please contact Pastor Coleman.*

Greetings in the name of our Lord Jesus Christ. We are in the season of Lent where we reflect the suffering and death of our Lord Jesus Christ. The book of **Isaiah 53:4-5** leads, *'Surely, he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was upon him, and by his wounds we are healed'*. This passage reminds us that the punishment and suffering of our Lord Jesus Christ brought us everlasting life and forgiveness of our sins.

This month's newsletter tells the story of Smith Patulani, an under-five child who is a patient at our Msambo clinic. Smith Patulani was born on 23rd October 2023 at Daeyang Luke Hospital in Lilongwe. According to Smith's mother, Modester Patulani, Smith was born through a normal spontaneous vertex delivery and there were no complications during birth and throughout the postpartum period. The family of Mr. and Mrs. Patulani hails from Kabula village, Traditional/Authority Chimutu in Lilongwe District. The Village is not far from our Msambo clinic.

In February 2025, Smith got sick. He was presenting with fever, vomiting and general body weakness. Upon seeing this, his parents took him to a local hospital, the Chankhungu Health Center. Chankhungu Health Center is one of the government health centers close to Smith's village. At Chankhungu, Smith was tested for Malaria and the result came out positive. He was given a first line Malaria treatment (*lumefantrine artemether*) which he took for three days at home, and he got well.

One Monday morning, in early March, Smith's father discovered that Smith's lower limbs were not functional. He informed the mother, and they were both shocked, knowing that the child

was fine after completing his Malaria treatment in February. They then visited the Lutheran Mobile Clinic at Msambo on 17th March 2025 where they met one of our Clinical Officers – Davie Khumula.

At the clinic, Davie asked the mother some questions including the medical history of the child. The mother explained everything and of course the malaria that he had in February. Davie also asked if the child received the polio vaccine, and the mother said the child completed all the vaccines including the polio vaccine. The child was then examined for any possible signs of malaria and there was none. Davie then examined the child's legs for muscle strength, reflexes and muscle tone.

Smith Patulani and his mother at Msambo Lutheran Mobile Clinic.

He found that the muscle strength and reflexes were absent and had decreased muscle tone. He then explained more about the child's condition to the parents and his plan of referring him to a hospital, and its importance. Smith was then referred to Kamuzu Central Hospital for further investigation for the possible cause of the paralysis, management and initiation of physiotherapy treatment. We look forward to hearing more from Smith's parents and how he is coping with physiotherapy treatment.

Lastly, we would like to extend our heartfelt gratitude to all the people who think about us. Your prayers keep us going. Your various donations have been of a great impact to us and that is why we keep running. May the good Lord continue blessing you and all that you do.

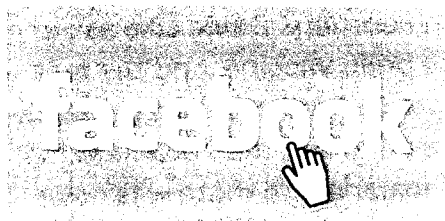

As we journey through this season of Lent, may we embrace reflection and renewal, fostering a spirit of compassion and gratitude in our hearts.

Happy Easter!

Lent is a somber season of the church. Reflecting on our sin week after week can feel heavy and sad at times, but being reminded of Jesus' never ending love and protection for all of us brings us comfort. Remembering that even though we didn't deserve it, Jesus willingly went to the cross and willingly suffered so that we can truly live. So when you feel sad this Lent season, remember Jesus' love for you.

This month's newsletter is an update from Violet Chikwatu, the nurse in charge in Malawi. In her letter we hear the start of a story of a young boy named Smith who is suffering from lower body paralysis and the medical staff is not sure why. Smith has been referred for more testing and therapy. Your prayers are needed more than ever for Smith and his family. We will look forward to more information in the month to come about how Smith is doing.
